

Come along and tell us what you think makes Horsham special.

An Exhibition to Launch a Design Statement for Horsham Town

*Friday and Saturday
9th and 10th March
Swan Walk (outside Wilkinson)
10. 00 am – 4. 00 pm*

How well do you know Horsham? Have a go at our quiz.

A design statement provides a detailed guide to the character of a town or village, and explains what makes the buildings and landscape distinctive.

It suggests how the planning and design of future changes, large or small, can respect and enhance what we value about our buildings, street scenes and open spaces.

Once adopted by Horsham District Council it will become part of the planning policy when applications are assessed.

We are a community group including Denne Neighbourhood Council, Forest NC, Trafalgar NC, North Horsham Parish Council and The Horsham Society, with support from Horsham District Council.
