Dear Reader

REVIEW OF NHS IN NORTH EAST WEST SUSSEX

West Sussex Primary Care Trust has asked an independent panel to conduct a review of health services in north east West Sussex.

The panel, chaired by Sir Graeme Catto, will start work in April and will be looking at a range of options.

These might include the possibility of a new, general hospital for Horsham and Crawley.

Do you think that there should - or should not - be a new, general hospital for NHS patients in Horsham and Crawley?

Please write to me, or email me, with your views by 31st March.

Yours sincerely
