Dear Mr Dier

Chesworth Farm

We have been approached about possible plans to site childrens football pitches within Chesworth Farm. I should be grateful if you would let us know the details and where things stand at present.

The Society is anxious to understand the thinking behind this proposal, and in particular what evidence there is that additional facilities are needed. As far as we are aware existing facilities, including recreation grounds and local schools, are not fully utilised at present. Although we have yet to formally consider the matter it is fair to say that we will need to be convinced that all alternative options have been fully researched.

Yours sincerely

John Steele
