Dear Kathryn,

Many thanks for your response and I appreciate that you cannot comment on the current application. However I would be grateful if you could view and assess the current Gospel Hall in Denne Road and consider whether it warrants consideration for listing.

Kind regards,

David Griffiths. (secretary of the Planning Sub Committee - Horsham Society)

Dear Mr Griffiths,

RE: APPLEYARDS HOUSE, 72 BRIGHTON ROAD - DC/15/2729

Thank you for your email and please accept my sincere apologies for my delayed response- I am currently dealing with a heavy workload.

In terms of the above application; I confirm that it is currently under consideration and I am unable to provide any comment regarding the potential outcome of the application.

In terms of Gospel Hall, Denne Road; to confirm, the building which is located in the Horsham Conservation Area is not a statutorily listed building. The future use of the building is not part of the above application and is not therefore something that I am able to comment on.

Kind regards

Kathryn
