**Comments:** On behalf of Horsham Society, I wish to object to Planning Application - DC/15/2863. The proposals are out of character with the area. Furthermore the design and appearance of the proposed building has been poorly executed, providing a building that will not compliment the surroundings. There is a lack of parking and it would seem that there is no provision for cycle storage, something that should be provided, considering the proximity of the site to the town. There is no location detailed for refuse bins. Horsham Society consider that this application should be refused. David Griffiths. (secretary to the planning sub committee).
