Comments: On behalf of Horsham Society, I wish to object to Planning Application DC/16/0130 for the following reasons:- The plain two storey flank wall of the proposed extension, to the South of the garden of No. 2 is excessive. The existing house has a simple pitched roof, whereas the plans indicate that the extension incorporates hips. This creates an unacceptable roof line and a long inaccessible valley gutter. The proposed South elevation would have a negative impact on the street scene. David Griffiths. (secretary of the Planning Sub Committee)
