Comments: On behalf of Horsham Society I wish to object to Planning Application dc/16/0167 for the following reasons:- This application is for another piece of speculative infill and would serve to overdevelop the site. The proposals would be inappropriate in this location as they would serve to produce a cluttered appearance to a street scene with characterised and well spaced properties and open front gardens. Beech Road is identified as a 'character area' in the Horsham Town Design Statement and changes proposed by this application would compromise the character of the street scene. The proposals claim that there are no trees on the development site. However 'Street View' indicates a tree where the drive is proposed. David Griffiths. (secretary Planning Sub Committee)
