**Comments:** On behalf of Horsham Society I wish to object to Planning Application DC/16/0361, in regard to design. Guttering to the ground floor extension appears to oversail the boundary, making maintenance extremely difficult. The second floor roof extension as indicated is unacceptable, being ugly in appearance and it protrudes above the existing roof line. The new left hand side second floor window does not match or reflect the existing windows. David Griffiths (Secretary to the Planning Sub Committee)
