**Comments:** On behalf of Horsham Society, I wish to object to Planning Application DC/16/0456. To consider this application without reference to application DC/16/0407 or DC/16/0458 would be out of context. The proposed application for DC/16/0456 is for a surface fixed sign, whereas signs for DC/16/0407 are a solid board, recessed type signage. In our opinion the application would be inappropriate and detrimental to the appearance of the listed building. We believe that there should be consultation with the Conservation Officer. David Griffiths. (secretary to the planning sub committee)
