Reasons for comment: - Other
- Overdevelopment
- Privacy Light and Noise

Comments: On behalf of Horsham Society I wish to object to Planning Application DC/16/0681, which proposes a back land development The proposal to construct 4 new dwellings and ancillary facilities is an overdevelopment of the site and would be out of character with the area. There would also be overlooking issues, should such a development proceed. Furthermore the site is the location of Slow Worms, which are a protected species.
