Comments: On behalf of Horsham Society, I wish to object to Planning Application DC/16/0803, for the proposed construction of a 3 bedroom two storey detached property, for the following reasons:- The submitted design is cramped and contrived and would be out of character with other properties in the road. The proposals would also be an 'over development' of the site. Construction of the dwelling would be on a 'green space' which is presently enjoyed by other residents, including those of Thatchers Close. Positioning of the second floor windows would compromise the privacy of neighbours. David Griffiths. (secretary to the Planning Sub Committee).

Comments: On behalf of Horsham Society I wish to object to Planning Application DC/16/0803 on the following grounds. The development is out of character with the area. The proposals would be an 'over development' of the site. The design is not in keeping with the road/street scene and does not therefore accord with the Horsham Town Design Statement.
