Stance: Customer objects to the Planning Application
Reasons for comment: - Design
- Highway Access and Parking

Comments: On behalf of Horsham Society I wish to object to Planning Application DC/16/1058 on the following grounds:- Design of the proposed conversion is unacceptable, as the height of the rear section of the building is higher than the existing front section. This gives an unbalanced appearance to the building. The proposed provision of parking spaces is unacceptable as a total of 5 spaces are only indicated for the proposed 9 flats. David Griffiths.
