**Comments:** On behalf of Horsham Society I wish to lodge an objection to Planning Application DC/16/1186, being the proposed development of land adjacent to 73 Eversfield Road. Whilst Horsham Society do not object to the principal of developing this site, the proposed design gives cause for concern. The proposed design indicates the roof to the rear wing terminating in a gable, whereas the roof to the front of the building incorporates hipped ends. These details require reviewing, to provide some form of symmetry. David Griffiths. (secretary to the Planning Sub Committee)
