Comments: Dear Sirs, On behalf of Horsham Society, I wish to object to Planning Application DDC/16/1770, on the grounds of design and access. Whilst Horsham Society do not object to the proposed development of this site, we do have concerns with the highway access, particularly with the driveway of the proposed property nearest to Comptons Lane. Furthermore we consider the front elevation to be somewhat bland and requires tile hanging or similar to the first floor, at the mid point to 'soften' the elevation. Yours faithfully, David Griffiths. (secretary to the Planning Sub Committee)
