Comments: Dear Sirs, On behalf of Horsham Society I wish to object to Planning Application DC/16/1814. The proposals for signage are not condusive and will not enhance the street scene of The Forum. The proposal to infill the windows with graphics will give the impression that the external elevations of 1 The Forum are a "hoarding/industrial building" Furthermore natural light will be prevented from entering the interior of the building. Yours faithfully, David Griffiths. (secretary to the Planning Sub Committee)
