**Comments:** Dear Sirs, On behalf of Horsham Society I wish to object to Planning Application DC/16/1900, which is for a change of use from business to residential, to allow the proposed construction of 35 dwellings. The information provided is minimal and clearly insufficient to allow the formulation of a considered decision. The application forms have not been completed fully and it is unclear whether or not the existing buildings, including the original Mill building are to be retained in part or as a whole. Furthermore there is no indication as to the changes envisaged to the exterior of the existing buildings. Yours faithfully, David Griffiths, (secretary to the Planning Sub Committee).
