Comments: Dear Sirs, On behalf of Horsham Society I wish to pass comment on Planning Application DC/16/1962. Whilst the amendments have greatly improved the appearance of the building, we have concerns regarding the fenestration to the front elevation. We note that a window has been added at 1st floor level, to align with the front entrance door. This window was not a part of the original building and consideration should therefore be given to the omission of this window. David Griffiths. (secretary to the Planning sub Committee)
