Comments: Dear Sirs,

On behalf of Horsham Society I wish to lodge an objection to the proposed development of 18b - 20 Comptons Lane, as detailed in Planning Application DC/16/2514.

The proposals are essentially for a 'backland' development and as such are an over development of the site. Little thought has been given to the layout other than maximising the number of units on the site. The proposals do not serve to enhance the street scene, neither are they in character with the road.

Any such proposed development would only serve to increase traffic flow on an already busy road and as such would be untenable.

Horsham Society therefore object to this proposed application.

Yours faithfully,

David Griffiths. (secretary to the Planning Sub
Committee)
