Comments: Dear Sirs,

I write on behalf of Horsham Society, in respect of Planning Application DC/16/2671. Whilst we do not have in principle an objection to this application, we do have certain concerns relating to the existing apple trees.

It is our preference that the existing fruit trees should be retained. However should this not be possible, suitable replacements should be sourced of a similar size.

Horsham Society therefore wish to lodge this qualified objection to the planning application.

Yours faithfully,

David Griffiths. (secretary to the planning sub committee)
