Comments: Dear Sirs,

On behalf of Horsham Society I am writing to advise that we fully support the application to construct a new ground, together with the associated facilities at Hop Oast, on land adjacent to Horsham Golf and Fitness.

We are particularly pleased to note that the applicant has taken measures to minimise the impact of the clubhouse and in doing so has ensured that the elevations will complement those of the Golf Club's existing buildings. Furthermore we are pleased to note the improvements to the Transport and Traffic Plan.

For many years the Club has long been an integral and important part of Horsham and surrounding areas and it is imperative that the longevity of the Club is ensured with the provision of a new ground and facilities.

Yours faithfully,

David Griffiths. (secretary to the Planning Sub
Committee)
