Comments: Dear Sirs,

On behalf of Horsham Society I wish to lodge an objection to Planning Application DC/16/2936, which is for the demolition of existing garages and the construction of 21 new dwellings.

The proposed works will require the removal of mature trees, which is not acceptable. The scheme should be redesigned to permit the retention of all trees. Furthermore the proposal to utilise a white render on external walls will produce a finish that will be susceptible to staining and degrade in a short period of time.

It is for these reasons that Horsham Society object to this application.

Yours faithfully,

David Griffiths. (secretary to the Planning Sub

Committee)
