**Comments:** Dear Sirs,

On behalf of Horsham Society I wish to lodge an objection to Planning Application DC/17/018, for the development of four semi detached three bedroom dwellings to the rear of numbers 28 and 30 Comptons Lane.

The application is proposing a 'backland' development of four semi detached properties and is clearly not acceptable being over development of the site and not in character with the area. It would also serve to degrade the street scene.

Access and egress for the properties is far from satisfactory, being narrow and to the side of 30 Comptons Lane. Furthermore vehicular movements on this route would constitute a danger to the adjacent school. Parking for the proposed development is also limited and thus unsatisfactory.

It is for these reasons that Horsham Society object to this application.

Yours faithfully,

David Griffiths. (secretary to the planning sub committee)
