Comments: Dear Sirs,

On behalf of Horsham Society I wish to lodge an objection to Planning Application DC/17/0291. The proposal to develop the land South of Larchwood, serves to extend the ribbon development of Kerves Lane and the urban boundary of Horsham and as such is wholly unacceptable.

The application which has been lodged is an over development of the proposed site and would clearly be detrimental to the area. Furthermore any development of the site would entail the loss of mature trees and natural habitat for birds and animals.

It is for the above reasons that Horsham Society object strongly to Planning Application DC/17/0291.

Yours faithfully,

David Griffiths. (secretary to the Planning Sub
Committee)
