Stance: Customer objects to the Planning Application

Reasons for comment:
- Design
- Loss of General Amenity

Comments: I am writing on behalf of the Horsham Society to object to this application.

The Society has raised objection to previous applications at this site on the ground of the proposal to utilise 'backland' site for the construction and we repeat this objection.

A long narrow concrete paved access road, serving a single dwelling, is detrimental to the character of the area. Meanwhile there is no provision for cycle storage.

Horsham Society request that the application be rejected.
