Commenter Type: Member of the Public
Stance: Customer objects to the Planning Application
Reasons for comment: - Overdevelopment
Comments: Dear Sirs,

On behalf of Horsham Society I wish to lodge an objection to Planning Application DC/17/1482, for the conversion of 79 Comptons Lane into two properties.

At present the application site is a single plot of small dimensions and therefore is not suited to be converted into two dwellings.

Furthermore approval of this application would set an unacceptable precedent for similar properties in the Horsham area.

It is for the above reasons that Horsham Society object to this application.

Yours faithfully,

David Griffiths. (secretary to Horsham Society Planning

Sub Committee)
