Dear Sirs,

On behalf of Horsham Society I wish to lodge an objection to Planning Application DC/17/1607, which is for the demolition of an existing bungalow and the erection of 3 No. detached 2 storey, 4 bedroom dwellings.

The proposals are essentially for a 'backland' development of the site, which is unacceptable in itself. Little thought has been given to the layout, other than maximising the number of proposed dwellings. The proposed designs do not enhance the street scene and neither are they in character with the road.

Any such proposed development would only serve to increase traffic flow on an already busy road and would therefore be untenable.

Horsham Society strongly object to this Planning Application for the aforementioned reasons.

Yours faithfully,

David Griffiths. (secretary to the Horsham Society Planning Sub Committee)
