Comments: Dear Sirs,

On behalf of Horsham Society I wish to lodge an objection to Planning Application DC/17/1856, for the proposed garage conversion to be considered as an annexe, to be separate to the main building.

The garage is an integral part of the site and the conversion to an annexe should not be considered as separate to the main building.

It is for the above reason that Horsham Society object to this application.

Yours faithfully,

David Griffiths. (secretary to Horsham Society Planning Sub Committee)
