Comments: Dear Sirs,

On behalf of Horsham Society I wish to lodge an objection to Planning Application DC/17/2362.

This is a retrospective submission and as such is clearly an abuse of Planning Legislation, which has blatantly been flouted by the householder.

The attic conversion, as constructed contains an excessive number of dormers and therefore gives the appearance of an institutional building, which is totally unacceptable in the residential surroundings of Richmond Road, which is also situated in a Conservation Area.

It is for the above comments that Horsham Society object to this application.

Yours faithfully,

David Griffiths. (secretary to Horsham Society Planning
Sub Committee)
