Dear Sirs,

I wish to submit an objection on behalf of Horsham Society to Planning Application DC/17/2641, for the erection of two signs, one being illuminated.

The property is situated in Comptons Lane, being a residential area of the town. The application is for two signs, each being some 2.00 metres x 3.00 metres. Whilst in principle Horsham Society are not objecting to the provision of signs, we object to the grossly excessive size proposed and the application for one sign be illuminated.

The applicant should review the size of the signs in conjunction with the Case Officer and re-submit the application. We therefore object to application DC/17/2641.

Yours faithfully,

David Griffiths. (secretary to the Horsham Society  
Planning Sub Committee)
