Dear Sirs,

I wish to submit an objection on behalf of Horsham Society to Planning Application DC/17/2675, for roof alterations including the addition of dormers to No. 34 Richmond Road.

The property is situated in Richmond Road, which is a residential conservation area of the town. The application is for extensive roof alterations including the alteration of a hipped roof detail to a gable end and the addition of 3 dormers and a single roof light.

The property is one of four matching houses - Nos, 28, 30, 32 and 34, all of which are located in a conservation area. Any such alterations would not be in keeping with the adjacent properties and furthermore would be

detrimental to the street scene of this sensitive area.

Horsham Society therefore object most strongly to application DC/17/2675.

Yours faithfully,

David Griffiths. (secretary to the Horsham Society
Planning Sub Committee)
