Dear Sirs,

On behalf of Horsham Society, I wish to lodge an objection to Planning Application DC/17/2809, which is for the construction of a 2 storey annex to Gardeners Cottage, Hammerpond Road.

The proposals should not be described as an 'annex', as it is blatantly apparent that a two storey house is proposed. Whilst there is a principle of restricting developments in the countryside, we would have little objection to these proposals if they were for a high quality design, but sadly that is not the case.

The proposed property is an insipid design, neither modern cutting edge or a good replica of the existing. To give but two examples, the chimneys are stubby and the porch bland. In no way does it complement the existing property. This wonderful location warrants something interesting, not a design extracted from a mass house

builders design book!

It is for the above reasons that Horsham Society object most strongly to application DC/17/2809.

Yours faithfully,

David Griffiths.
