Dear Sirs,

On behalf of Horsham Society I wish to lodge an objection to Planning Application DC/18/0337. The application relates to 17 East Street and proposes a replacement fascia board sign, which is internally illuminated and extends the width of the frontage.

The premises are situated in a conservation area and the proposed sign is not in keeping with this situation. A painted sign that is externally lit would be more suitable and the applicant should reconsider re-designing and re-submitting this application.

It is for the above reasons that we object most strongly to this application.

Yours faithfully,

David Griffiths.

(secretary to Horsham Society Planning Sub Committee)
